**The music on this list is suitable for weddings, corporate events, and all types of occasions!**

**This is the list of songs that are most often requested of harpist Anne Roos.** To make it easier to find your favorites, songs are arranged by category and alphabetized and numbered within each category.

**Search under the category of music you like, and then make your selections.** Anne is happy to offer guidance for making your event playlists uniquely your own. Call her to discuss your ideas at **530-541-2575**.

### Notes for Weddings

- **Need help creating your wedding playlist?** Download ideas for [How to Select Your Wedding Music](#). Or simply [contact Anne](#) for specific music guidance.
- **Anne recommends that you check with your celebrant (minister, rabbi, priest, etc.) before choosing your music.** Some faiths, houses of worship, or celebrants do not allow secular (non-religious) music or particular selections. In addition, some may not permit certain songs to be performed during the ceremony itself or performed outside the walls of a house of worship.
- **Some selections in the following list extend across multiple categories, and some may defy definition.** For instance, “The Angelical Hymn” can fit into several of the categories, so you’ll find it in the Classical music category. It is a popular wedding recessional selection, because it sounds like wedding bells. It will work with music from any other category. You’ll find this song cross-referenced in other categories, too.
- **Be sure to also check out the last category in this list,** the music that falls under the umbrella of “Not Necessarily Wedding Music”. These songs may have questionable lyrics. Since Anne is only playing the melodies, they are often chosen. Others (such as jigs, reels, and marches) are played at a fast tempo and are best suited for receptions.
- **If you cannot find what you are looking for on this list, or if you have any questions about the appropriateness of your selections for your wedding,** please [contact Anne by email](#) or by phone at **530-541-2575**. Anne has decades of professional experience performing at weddings, she’s open to learning new songs, and she welcomes discussing your music ideas.
